

ADHD MATTERS REFERRAL PROCESS

1 Pre-Referral

Verify if the client seeks an ADHD assessment. Confirm their willingness to proceed. Access required documents through the "ADHD Matters" button on the Portal homepage.

2 Registration

Complete these steps on the Portal:

- Physician Referral Form: To be filled out by the client's family physician or PCP.
- Consent Form: Upload in the Portal's "Documents" section.
- Payment: Instructions emailed to the client post Consent Form upload.

3 Data Collection

Collaborate with the client or direct them to the intake facilitator for completing these questionnaires:

- Client Intake Form
- Self-Assessment Questionnaire
- Collateral Information Questionnaire (crucial)

4 Evaluation

Schedule the ADHD-focused psychiatric consultation through the Portal with an "ADHD Matters" psychiatrist.
